

# Minnesota DHIA News

A PUBLICATION OF MINNESOTA DHIA

Volume 21 Issue 7

JULY 2021

## Ordering Tags?

### 1. Blank tags are now sold in bags of 25, with the following exceptions:

- ZTag 1 piece Feedlot tags which are sold in increments of 1000
- Allflex 1 piece Feedlot Tags which are sold in increments of 50

### 2. Printed Tag Minimums - There may be minimums for all manufacturers in the near future.

Currently, minimum numbers:

- **ZTags:** All types – 25 tags / set
- **Temple:** 25 tags / set
- **Allflex:** 840 tags and 840 matched pair sets (with or without an EID included) 25 tags / set
- **Destron:** 840 tags and 840 matched pair sets (with or without an EID included) 25 tags / set

### 3. 840 Electronic ID (EID) Button Tags:

- **Allflex:** Come in Increments of 20 tags. When ordering Allflex tags, note that if you want the tags in sequential order please indicate that when you order. Bags of 250 tags are available in no order, but are sequentially numbered.
- **Destron:** Increments of 25 tags
- **Temple Ear Comfort:** Increments of 25 tags
- **YTex:** Increments of 20 tags. There other options in case you are looking for large quantities. These larger quantities will be in bulk, just in a bag.

## Temporary Tag Order Delays

Z Tags turnaround time is currently 10 – 12 weeks.

**Please note for an alternative tag option, you may order All Flex A-Tags for quicker turnaround time (5-7 business days). If you do choose this option, you would need to purchase a new tagger.**

Allflex ordering system will be changing towards the end of July. During this time, orders will not be received or processed and will cause a 2 week delay.

**Orders can be placed on line at [www.eartagcentral.com](http://www.eartagcentral.com). Use the code DHIA to get discounts for Minnesota members. Members have ordered over 730,000 eartags.**

## June Milk Quality Leaders, ranked by SCC then Log SCC
